THE INVESTIGATION OF LEAN MODELS ADOPTION IN SMEs OF SINDH PROVINCE

Reviewer 1: --

1. In this article, the authors should be correct and modify the sentence construction in several sections.
2. In several sections’ sentences and paragraphs have some margin and space problem, which needs to be properly adjusted.
3. In several sections, sentences have spelling and grammar mistakes, which need to be corrected.

Comments to Editor:

After some modification as per the reviewer's comments, the article can be accepted for possible publication.

https://www.journalimcms.org/
Reviewer 2: --

1. The paper should be written properly in JMCMS Journal format.
2. References and in-text citations are not in JMCMS Journal format.
3. More references should be included and sequentially/adequately arranged.
4. Authors are advised that the abstract part should be more specific.
5. Result and Discussion section should be specific and informative.
6. Conflict of interest regarding the article should be mention in the text.

Comments to Editor:

This article needs some modification. After some modification, the article can be accepted for possible publication.

Reviewer 3: --

1. The Paper should be written in JMCMS Journal format.

2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.

3. The abstract part is needed to be modified and try to write in short.

4. All the tables and equations should be placed properly.

5. Conflict of interest regarding the article should be mention in the text.

Comments to Editor:

After modifying the said points, the paper can be accepted for possible publication.
