1. Paper should be written in JMCMS Journal format.

2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.

3. The authors are requested to rewrite the abstract, as this section does not properly depict the paper's actual aim and objective.

4. All the equations should be typed only in the equation editor, and maintain a uniform size.

5. Authors are advised to add a comparative study with existing similar implementation.

6. Conflict of interest regarding the article should be mention in the text.
