Comments to Editor:

1. After modifying the content, paper can be accepted for possible publication.
Reviewer 2: --

1. Paper should be written in JMCMS Journal format.
2. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged, as cited in the text.
3. It is advised to the authors that they have discussed the training program in the private bank; hence, the discussion will not be completed unless the training program in the private bank is compared with the govt bank training program.
4. It is also advised to the authors to discuss a separate section considering the emergence of Information technology in banking sector.
5. Authors need to Modify Abstract and conclusion more appropriately.
6. Conflict of interest regarding article should be mention in the text.

1. After modifying the content, paper can be accepted for possible publication.
Reviewer 3: --

1. References and in-text citations are not in JMCMS format. More references should be included and sequentially/adequately arranged,
2. The authors are also advised to use tables and more diagrams to describe the topic better.
3. Again, the authors are also advised to use more recent references, as in the sector lot of research is going on, which is not showcased in this paper.
4. Conclusion should be written in a precise manner so that it should specify the aim and objective of the paper.
5. Conflict of interest regarding article should be mention in the text.

Comments to Editor:

1. After modifying the content, paper can be accepted for possible publication.
